### Features & Benefits

No Turn - for easy care

ReActivePro™ pocket springs for triple edge protection. A firmer tension spring at the side of the mattress allows edge to edge support.

Contains 100% natural and sustainable fibres that can be recycled at end of life

Safe and fire resistant sleep surface that is free from FR chemicals

Luxurious unbleached cotton sleep surface that helps keep you dry and cool

Natural fibres such as wool to naturally aid moisture and temperature management

A layer of natural Talalay latex delivers a supremely luxurious feel. With a supportive yet responsive consistency, latex is natural, chemical free and breathable.

Contains 2.5 fleeces (5.4kg) of British wool traceable to Red Tractor assured farms and bought through the Woolkeepers® initiative, offering quality assurance and peace of mind.

eOlus™ support pad allows airflow and contains recycled fibres made from water bottles

Tailored border with 2 rows of genuine hand side-stitching
