Features & Benefits

Luxurious, unbleached cotton and kapok sleep surface that is fire-resistant without the need for FR chemicals.

6-turn ReActivePro™ pocket springs for total body support.

Contains 100% natural and sustainable fibres that can be recycled at end of life

Safe and fire resistant sleep surface that is free from FR chemicals

Natural fibres such as cotton and wool to naturally aid moisture and temperature management

A layer of British wool from Red Tractor assured farms to help keep you cool and dry. Brought through the Woolkeepers® initiative, offering quality assurance and peace of mind.

Solotex™ plush layer is a soft as cotton innovative fibre.

eOlus™ support pad allows airflow and contains recycled fibres made from water bottles

Single sided, no need to turn - just rotate regularly.

Tailored border with 2 rows of side-stitching
